Foreword

We the Senior Class of 1959 find that we are once again coming to the close of a school year, the last one for us, and we find leaving an unpleasant task. We have worked 12 long years for the honor of graduating, but leaving isn't so easy as we thought it might be.

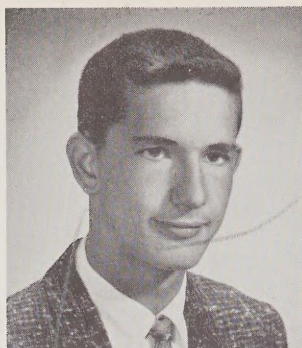

The Staff of "The Heights" and the Seniors hope that in years to come, this edition of "The Heights" will bring back fond memories of our school days.

Dedication

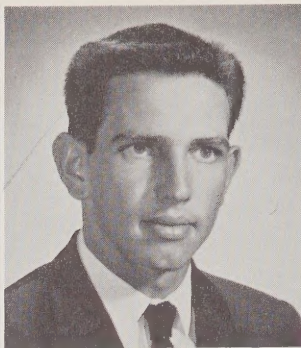

For her never ceasing devotion and inspiration, this 1959 edition of "The Heights" is dedicated to Mrs. Oscar W. Broome.

Dear Seniors,

You have now arrived at the first major turning point in your lives. A few years ago you were just children in school. Now you have grown to be young men and young women. You have great decisions to be made in the matter of choosing your life's work and in planning your future education. Be sure that you make the wise choice. Do not be in such a hurry to live that you do not give yourselves time to prepare for abundant living. It is my belief that many of the things you have learned here at school will help you in making wise choices. May I leave with you my sincere thanks for the kindness and cooperation you have so generously shown me, and I wish for each of you much success and happiness in the future.

CLASS POEM

Down the corridors of life,
Through many trials of pain and strife,
With many smiles and many tears,
We reach the last of these twelve years.

The time has come to bid farewell
To all the friends we love so well.
In many ways we wish to stay,
Tho we know we leave for good some day.

With heavy hearts this year nearly done,
We feel our work has just begun.
With tear stained eyes, and hearts so blue,
To all our friends we did adieu.

Class History

At last, we the Seniors are walking the last miles of a journey that began twelve years ago. This journey has been a pleasant one although there have been some sorrows along our road. We have learned many things and have made many friends on our journey. But this journey has prepared us for a much longer journey which will take us through life.

Our journey began in 1947. We were guided along the way the first eight years by these patient teachers: Mrs. Lydia Griffin, Mrs. Baxter Benton, Mrs. Margaret Myers, Mrs. Dayle Moore, Mrs. Flay Griffin, Mrs. Mark Lemmond, Mrs. Annie S. Helms, Miss Mildred Outen, Miss Pat Benton, Miss Annie Williams, Miss Margaret Love, Mrs. Irma Broome, Mrs. Bruce Bivens, Mrs. Mattie Cobb, Mrs. Virginia Smith, and Mr. E. B. Deese. In the seventh grade our journey carried us to Charlotte where we visited many interesting places. In the eighth grade Mrs. Smith and Mr. Deese took us to Raleigh. While there we visited the Capitol and met Governor Hodges. We also visited many other interesting places.

Our journey is now nearing the end. We entered the ninth grade with fifty-four members in our class. Our sponsors were Mrs. Ruth L. Thomas and Mr. Wallace E. Bearse. Our president was Nicky Price; Vice President, Tommy Smith; Secretary, Steve Tsitouris; Treasurer, Boogie Gordon; and Reporter, Sylvia Teagle. Our Student Council Representatives were Sylvia Teagle and Raeford McCain. Our marshals were Sylvia Teagle and Keith Tarlton.

We entered the tenth grade with forth-seven members in our class. Our sponsors were Mr. Wallace E. Bearse and Mr. L. A. Everett. Our class officers were: Charles Hill, President; Steve Tsitouris, Vice President; Raeford McCain, Secretary; Gary Herring, Treasurer; and Don Ray Rummage, Reporter. Sylvia Teagle was secretary of the Student Council and the representatives were Joy Lawrence and Keith Tarlton. The marshals were Sylvia Teagle and Patricia Cunningham. During this year the following classmates were initiated into the Beta Club: Keith Tarlton, Robert Weir, Rita Freeman, Johnnie Helms, Sylvia Teagle, Joy Lawrence, and Patricia Cunningham.

All of us were eager to begin our Junior year. Our sponsor, Mrs. Tom Morgan, made this year a very happy one. The outstanding memories of our Junior year were receiving our class rings and the Junior-Senior Banquet. Class officers were: President, Nicky Price; Vice President, Steve Tsitouris; Secretary, Joy Lawrence; Treasurer, Robert Weir; and Reporter, Sylvia Teagle. Robert Weir was Vice President of the Student Council and the representatives were Patricia Cunningham and Jimmy Fred Williams. Our marshals were Sylvia Teagle, Chief, Johnnie Helms, and Patricia Cunningham.

We are now traveling the last miles of our journey. At last, the awaited "Senior Year" has arrived. Our sponsor is Mrs. Linda F. Hilton, who is making our last year a very happy and enjoyable one. Our class president is Steve Tsitouris. The Student Council President is Robert Weir and the representatives are Joy Lawrence and Jimmy Fred Williams.

We are all glad to have J. B. Helms from Concord join us this year.

We are looking forward to graduation, our trip to Washington, and the many other activities of the year.

We would like to express our "thanks" to all of our teachers, and especially to Mr. O. W. Broome, our principal, who has so faithfully guided us through these last twelve years.

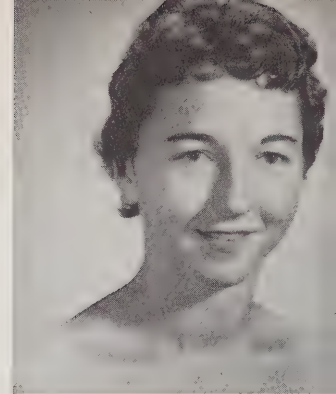

As the last of these twelve years come to a close, we will not think of them as the end of our journey but as the beginning with better and greater things to come.

PATRICIA CUNNINGHAM
HISTORIAN

Class Prophecy

Having returned from Europe where I had been in nursing at a major hospital in Rome for ten years, I am insanely anxious to hear what enchanting and various roads of life my classmates have taken. One of my oldest and dearest friends just happened to drop by to hear about my experiences in nursing. After telling her of my adventures she tells me about our classmates.

FRANKIE BENTON, recently promoted to Assistant Manager of the Cigarette department in the famous A and P Store says it is still better than lugging grocery bags.

PATRICIA CUNNINGHAM likes teaching third grade at Benton Heights, even with keeping her own three children and "That special one" straight.

WALTER "BOOGIE" GORDON is now the writer for that hilarious series, "Walter the Bus Driver." The kids think it is great and so does Boogie.

SUE HELMS is very happy taking care of five children and keeping up with Tiny, as he is a professor at Wingate College. Sue says that she can get to Wingate in less than three minutes.

JOHNNIE HELMS has really put her talents to work, she is now private secretary to the President of General Motors.

J. B. HELMS is now an English professor at U.C.L.A., where he is really putting his brain to work.

CHARLES HILL is now a well-known Antique Collector. He has over five hundred antiques, all "40" Fords.

JOY LAWRENCE, head supervisor on the second floor at Mercy Hospital, hopes someday they will make second floor "Men's Ward."

RAEFORD MCCAIN surprised everyone by teaching high school English at one of our major schools. He says he has had enough English in his life to teach it.

WILLIE MURPHY recently came into a lot of money, no one knows how, but he's now driving a "1970" Chevrolet instead of his "49."

JERRY NASH, president of Nash Textile Mills, formally known as Manetta Mills, says he really enjoys his job.

NELL NASH has reached the peak in her career as she takes over Norman Rockwell's job, and is drawing advertisements for several well-known magazines.

BOBBY PARKS, now happily married, has bought out Austins Store and refuses to pay his help over three dollars a day.

JOYCE PATE is now an efficient secretary for one of our finest lawyers. She is doing very well in her work and likes it.

PAT PRESSLEY, a glamorous movie star, has taken over B. B. 's roles, her producers call her Bridget the II. Although "That special one" doesn't like it, he is too busy babysitting with their girls to say so.

KAY PENEGAR, has hooked Darwin line and sinker and they are making their home in Florida where Kay is the owner of the La Kay's Beauty Salon and also doing her best to train her little girl's hair.

NICKY PRICE now has his own cigarette factory where he manufactures "Nicks" guaranteed to keep you tall and skinny.

DON RAY RUMMAGE, still going by "Doodley" is attending N. C. State where he is very active in his studies. He really enjoys college work.

SYLVIA TEAGLE after graduation from college is writing books and magazine articles. The most recent article is "The Problems of Skinny Girls."

STEVE TSITOURIS has just made All-American.

RUBY TUCKER is getting married next week. I wonder who it is. Your guess is as good as mine.

NOLAN WALDEN is the owner of the "Winn-Walden Super Market" former "Winn-Dixie." He still refuses to drive anything but "40" Fords. Goody-boy that Nolan.

LOUISE WEBB is now a successful policewoman in New York City. It seems as if the name Webb is famous in connection with the police.

ROBERT WEIR, one of the most talked about boys of the year, just recently won the Darlington "500." He knows "John Law" can't get him for speeding now.

JIMMY FRED WILLIAMS, owner of "The Flamingo," is still collecting crazy liquor bottles and as of yet hasn't taken up the habit.

DALE WITMORE, owner of "Witmore Service Station" formally "Boulevard Truck Stop" has installed a complete automatic system. He says he doesn't believe in hard work.

CHILDHOOD DAYS

FIRST ROW: Dale Whitmore, Frankie Benton, Bobby Parks, Nell Nash. SECOND ROW: Don Ray Rummage, Sue Helms, Joy Lawrence, Nicky Price, Jerry Nash. THIRD ROW: Robert Weir, Willie Murphy, Charles Hill, Jimmy Fred Williams. FOURTH ROW: Sylvia Teagle, Steve Tsitouris, Patricia Cunningham, Rita Freeman, Boogie Gordon.

Last Will and Testament

We, the Senior Class of Benton Heights, in the year nineteen hundred and fifty nine, being in reasonably good health and of doubtfully sound mind, realizing the uncertainty of grades and the vacillating disposition of our teachers, do hereby make this our last will and testament.
